Opening for PhD positions.

Position and Group: Dr He Wang (http://drhewang.com) is recruiting several PhDs in Computer Graphics, Computer Vision and Machine Learning, at the Department of Computer Science, University College London, UK. Dr Wang is part of the Virtual Environment and Computer Graphics (http://vecg.cs.ucl.ac.uk/) group.

Research topics and the application process: The potential topics include character animation, crowd simulation and cloth simulation. Details on these topics can be found at https://drhewang.com/files/PhD%20project.pdf, and the relevant information about the application process can be found at https://drhewang.com/group.html.

Interested candidates are encouraged to contact Dr Wang as early as possible. The PhD funding deadline is in early Jan 2024.

He Wang, PhD BEng

Associate Professor,

Turing Fellow,
